Team Lead- Social Compact
Aajeevika Bureau
Location: Pune

Social Compact

Social Compact is a multi-stakeholder platform that seeks to ensure greater dignity and equity for 1 million informal workers and their families in India. It is a partnership of leading industries with civil society organisations. Social Compact seeks to secure six major outcomes for workers - wages, health, safety, social security, entitlements and skilling. It enables companies to undertake a reflection-to-remedial-action journey empowered by best practices, individual and collective solutions and a peer group of like-minded companies.

Aajeevika Bureau and Dasra along with a few leading industry leaders have initiated a pilot with companies across Pune that are engaging to analyse labour practices in their ecosystem and co-create a gap improvement plan for the workforce dependent on it. Social Compact seeks to cover all categories of workers including contract workers and workers in supply chains of large industries.

The Worker Facilitation Centre (WFC) is a significant intervention being set up under the Social Compact in the industrial area of Chakan in Pune. The function of the centre is to act as a space for workers to walk-in for information, counselling and access to government schemes and benefits. The WFC seeks to provide targeted services to workers in the realms of financial inclusion, social security, health and legal aid. The WFC team will also operate a mobile help desk that will be rolled out in adjacent industrial clusters based on a pre-determined schedule. We are now looking to recruit a Team Lead who can take the strategic lead in operationalizing the functions of the WFC and work in close coordination with all stakeholders in the area including the major companies who are extending support to us in this initiative.

Aajeevika Bureau, headquartered in Udaipur, is a non-profit trust registered in 2005 with a vision to secure, dignified lives of communities dependent on labour and migration (www.aajeevika.org). Aajeevika Bureau operates through a network of Worker Facilitation Centres and offers services and solutions to seasonal migrant workers and their families. These centres are based at the ‘rural’ source (in Rajasthan) and ‘urban’ destinations (in Gujarat and Maharashtra).

Roles & Responsibilities

The Team Lead (Social Compact) will manage our upcoming collaborative efforts in Pune.
